United States 5-20's opened at 55, and closed at 53\(\frac{1}{2}\).

Professor Goldwin Smith, in the London Daily News, controverts the opinions of a Manchester paper and urges that although a compromise with slave oligarchy is impossible, it is possible, that at no distant time negotiations may be hopefully commenced with the separate States over which the oligarchy of Richmond is exercising its usurped power.

The Index, the Confederate organ in London, ridicules Blair's alleged peace negotiations, but does not altogether discredit peace rumors.

The amendment proposed by the Committee on Ways and Means, assessing a duty of five per cent on excess of incomes

edit peace rumors. It asserts the North is unmistakably tired of war, and that more rational counsels are beginning to prevail. It claims
that the abandonment of the sea coast by
the South will be an actual advantage in a
the south will be an actual advantage in a

France, of both, would be a necessity.

The Index contends that the United States government is paving the way for such a war. It says that war is reaching that Franced and France are such a war. It says that war is reaching the way for such a war. It says that war is reaching the way for such a war. It says that war is reaching the way for such a war. It says that war is reaching the way for such a war. It says that war is reaching the way for such a war. It says that war is reaching the way for such as the way is the way for such as the way is the way is the way in the way is the

such a crisis that England and France must decide to become friends of one of the belligerents, or fight them both, and events are occurring which may pre-cipitate that decision at least in the case of The Index, in the meantime, bids the

and promises them shortly a series of greeable surprises.

The Index also gives a rumor, which is alleged to be current in political circles, of the intention on the part of the British government to sever its connection with Canada before the termination of the American war, so that the finest province of Great Britain may be seized without

forcing England into war.

The London Times, editorially, finds fault with the legal opinion given by Mr. Wm. M. Evarts, as to the right of European creditors to recover debts in America on specie basis.

The Times observes that it is time that The Times observes that it is time that Mr. Evarts arrives at a satisfactory conclusion, that foreign transactions ought to be settled according to real and not nominal value of American currency; but the conclusion is expressed so doubtfully and is fenced around with so many limitations that those whose interests it is to maintain an opposite opinion, will do so.

Washington, Feb. 18.

PROM WASHINGTON. Major General Herron in his report of the recent investigation at Little Book, in the Department of Arkansas, transmitted to the Senate to-day, indicates his belief in the existence of corruption and speculation, but exhonorates General Steels from all blame, excepting a too implicit confidence in the integrity of Stiff. He seems to regard the Provost Marshal, Lieutenant Colonel Chaudler, of the 7th Missouri cavilly at the relationship of the 7th Missouri cavilly at the 7th Miss

alry, as the principal offender.
His dismissal is advised, and Col. T. H.
Benton, of the 29th Iowa Infantry, is recommended in his stead. General Herron also recommends the removal of Col. B. G. Carr, Chief Quartermaster, and the appointment of a more en-

argetic man. It is stated that the District of Little Rock is controlled by a combination known Petroleum quiet at £17 for crude and as McDonald & Co., contractors for supply ing Indian stations with unlimited lie rom the Treasury Department, by which they bring in immense stocks of goods re-lieved from the 5 per cent, tax. One part-ner is Chief Clerk in the Quartermaster's Department, and is brother of a rebel Col-onel. Henry McKee conducts the trading at 59 (@56).

Liverrou, Feb. 4—Rvening.—The Cotngld, and Seymonr at Fort Smith.

The partners are represented as shrewd and sharp men, with plenty of money, and are a combination which swallow up everything. The officer who cannot be brought into their interest must make way for some who can. There have been, he says, brought into that section \$500,000 worth of good estensibly for the Indians. It is impossible that one-tenth can be sold within the lines.

Other similar cases are mentioned in

Gen. Herron's communication. Semi-official news from Terymas the

GENERAL'S OFFICE, WASHINGTON, February 10th, 1865. General Order No. 21,621:] The State of Kentucky will constitute he military department of Kentucky. Major General J. M. Palmer, of the United States volunteers, is assigned to the command of the department of Kentucky. Second-The department of the Cumerland will include the State of Tennes-

see and such parts of Northern Georgia, Alabama and Mississippi as may be occu pied by troops, under the command of Major General Thomas. Third-All the troops in the depart-185; Manhattan, 75; Oceanic, 325; will, in the absence of Major General or General Thomas, except posts on the

east bank of the Mississippi river, which will be subject to Major General Canby's orders. In the movements for protecting the navigation of that river in all respects they will be under the direct orders of their department, and whenever time will permit, General Canby will communicate his orders through such commanders. Fourth. The Department of Mississippl

will embrace so much of that State as may se occupied with troops of the military livision of West Mississippi on the river. The Department of the Gulf will emrace the States of Louisiana and Texas. Other districts on the Gulf of Mexico will report directly to the commanding general of the military District.

By order of the Secretery of War. [Signed] E. D. TOWNSEND, Assistant Adjutant General. NEW YORK, Feb. 16. SOUTHERN NEWSPAPER TALK. The Richmond Whig, of the 14th, con-

tains the following: A gentleman who left Petersburg this afternoon at 3 o'clock, in orms us that yesterday he did not hear a ingle gun. Officers from the different portions of the line informed him that the ituation is now marked by the most perfeet quiet. The fact is, the men on both sides are so busy devising means to keep themselves from freezing that they have ittle if any time to indulge in the exciting occupation of picket firing. The same say be said, without variation, of the beligerents on the north side of the James. The Charleston Courier of the 8th says: No official information has been received. Tuesday's reports deemed reliable, state the or in other words, deserting from heavy nemy tapped the South Carolina railroad yesterday morning, in three places, midway between Blackville and Balberg.

Passengers who left Augusta on Monday afternoon, state that the shouting of the enemy could be distinctly heard in the distance, as the train passed Williamston. It is supposeed they reached the South Carolina railroad early on Tuesday morning, as the train from Branchville came through safe. Tuesday evening passen-gers report the road cut at Williamston, nd state the enemy had turned off toward Augusts. The Columbia Guardian thinks all a special despatch boat from Morris Island
